

## **Trauma Nursing Fellowship Program**

**Applications Due- October 12, 2018**

Calling all registered nurses - are you interested in trauma care? Consider participating in our Trauma Nurse Fellowship to expand your clinical and professional knowledge. Nurses with 2 - 3 years of experience, and at least one in critical care, are eligible to apply. Build on your knowledge of critical care nursing fundamentals by participating in this elite (or unique) program!

The Trauma Nurse Fellowship draws upon the expertise of our UH Trauma Team, Trauma Administrative staff, UTHSCSA faculty and regional partners to provide a global perspective on trauma care and the regional trauma system. Nurses accepted into the program will learn about all aspects of trauma care including but not limited to trauma surgery, pre-hospital care, performance improvement and patient safety, trauma education, trauma research, trauma-related legislation, injury prevention and rural trauma outreach.

Fellows will also participate in Clinical Rotations with the following areas: Surgical Trauma ICU, Trauma Pediatric ICU, Trauma Resuscitation, Trauma Administration, AirLIFE and with an Emergency Services pre-hospital unit.

This unique six (6) month program requires RN to have a at least 1 year of critical care experience. Salary, paid time off, benefits and leave accrual will remain in place.

Nurses accepted into the Fellowship program will receive a funding for certifications, outreach and travel. Additionally, completion of the program is recognized and acknowledged by the Clinical Advancement Program.

After completion of the 6 months program:

- a. A two –year commitment of providing clinical services as a full time nurse with the health system. The following clinical services within the Health System referring to the STICU, Trauma PICU, Trauma Administration, Emergency Department Critical Care Team or the Trauma Team. If the Trauma Fellow is a current Emergency Department Trauma Team Nurse Member, the Trauma Fellow may return to Trauma Team after the Fellowship completion if so desires
- b. Program Funding award directly to the participant upon successful completion of each program year.
