

Texas Trauma Coordinators Forum

Thank you for your interest in supporting the Texas Trauma Coordinators Forum (TTCF). TTCF is a 501(c)(3) nonprofit corporation (Federal Tax ID #74-2710768) that offers support and resources to healthcare professionals with the goal of improving care for trauma patients across the state. As a charitable organization operated on a volunteer basis, TTCF is funded primarily by dues and contributions of its members.

TTCF encourages multidisciplinary participation in providing holistic healthcare across the entire continuum of injury, from injury prevention through rehabilitation. TTCF provides networking, mentorship, preparedness, securing and maintaining of trauma financing and provision of education to professionals involved in trauma care. TTCF encompasses all aspects of trauma care for both the injured and those at risk for injury.

On June 25, 2019 TTCF volunteers across Texas will be hosting a silent auction as the primary fundraiser to benefit the trauma community and our patients. TTCF volunteers are seeking contributions from local businesses to help make the event a success. We hope that you will consider supporting our efforts.

Your contributions are greatly appreciated.
